

PUBLIC NOTICE OF PROPOSED SOIL AND GROUNDWATER CLEAN-UP

In accordance with Arizona Administrative Code R18-12-264.01, the Arizona Department of Environmental Quality (ADEQ) is providing notice that a Corrective Action Plan (CAP) submitted by ConocoPhillips Company, on behalf of Circle K Stores, Inc., dated February 7, 2008, has been proposed for the remediation (clean-up) of soil and groundwater contamination resulting from a release of gasoline from a leaking Underground Storage Tank (UST) system at the following site:

**LUST File No. 4125.05
Facility ID No. 0-001260
Coconino County**

**Circle K Store No. 00583
3 North 7th Avenue
Page, Arizona 86040**

Multi-Phase Extraction (MPE) System

Existing soil and groundwater contamination at the referenced site will be remediated using an active multi-phase extraction (MPE) system. During MPE, vapors and groundwater are extracted from the contaminated soils beneath the site. Soil vapors will be treated above ground, as required by applicable laws. Contaminated groundwater will be temporarily stored on-site followed by off-site transport to a licensed wastewater disposal facility. To evaluate the effectiveness of the MPE system, periodic monitoring of contamination levels will be required by ADEQ. Once contaminant levels decrease below clean-up standards, the site may be eligible for closure.

A copy of the proposed CAP, including ADEQ's preliminary CAP approval with certain modifications incorporated therein, is available for review during normal business hours at the ADEQ Records and Library Review Area, 1110 W. Washington Street, Ste. 140, Phoenix, Arizona. ADEQ encourages public participation in the corrective action process and welcomes comments on the proposed CAP. . A public comment period is in effect from September 24, 2008 through October 31, 2008. Comments should be submitted in writing by October 31, 2008 to the ADEQ UST Corrective Action Section, 1110 W. Washington Street, Phoenix, Arizona 85007; Attention: Pete Townsend. If sufficient public interest is demonstrated within 30 days of this notice, ADEQ will announce and hold a public meeting. ADEQ will respond to comments in writing following the public comment period. For more information on this notice, please call Pete Townsend at (602) 771-4359, or 800-234-5677, ext. 771-4359.
